

FRONT SIDE:

**FIRST** was founded by Dean Kamen in 1989 *"To transform our culture by creating a world where science and technology are celebrated and where young people dream of becoming science and technology leaders."*

**FIRST** provides a progression of four international programs for K-12:

- ◆ Ages 6-9 (Grades K-4): **FIRST** Lego League Jr.
- ◆ Ages 9-14 (Grades 4-8): **FIRST** Lego League
- ◆ Ages 12-18 (Grades 7-12): **FIRST** Tech Challenge
- ◆ Ages 14-18 (Grades 9-12): **FIRST** Robotics Competition

All four of these programs are active in Arizona. You can find more information about them and how to start a team at [www.firstinspires.org](http://www.firstinspires.org)

ASU is the Arizona partner for **FIRST** Lego League and **FIRST** Lego League Jr. For local information on these programs you can contact Hilary Mitchell in the ASU Engineering Outreach Office at [hilary.mitchell@asu.edu](mailto:hilary.mitchell@asu.edu) or call **(480) 965-5837**.

BACK SIDE:

Panther Robotics is FTC (**FIRST** Tech Challenge) team #12241 from Paragon Science Academy in Chandler.

This year we competed at four state qualifying events and at the Arizona/New Mexico regional tournament where we advanced to the Western Super-Regional competition in Spokane, Washington.

For more information about our team you can see our webpage at [www.paragonpanthers.org](http://www.paragonpanthers.org) or email

Thank you to our sponsors and to friends, family and acquaintances for their generous support:
